Child Safety Information

Keep a telephone in reach of children. Teach them to dial "0" for the operator or dial 911 and ask for the police.

Make sure children know their full name, street address, city, state, and phone number with area code.

Teach children to be cautious and not to trust strangers. Tell them to never take a ride from strangers or get close to a stranger's car.

Teach children never to open the door to let strangers into the home.

Teach children not to be afraid of police officers and to look for them if they are separated or lost.

To Fingerprint:

Practice on a sheet of paper before applying fingerprints to this booklet. Fingerprints are acceptable for identification when the center of the fingerprint is clear and unsmudged. Avoid a smeared print, do not roll finger.

1. Peel finger print strip apart at tab.
2. Place strips on a flat surface, ink side up.
3. Hold child's finger rigid, place lightly on ink strip, then press lightly over proper chart location.
4. Clean up with soap and water.
